EXERCISE COURSES

You may be required to complete a health questionnaire before enrolling on any courses involving physical activity.

LANGUAGE COURSES

Students should seek advice from a language tutor if they need to ascertain the level of course they require. Otherwise during the course, a request to transfer the student to a different level might be requested by the tutor.

CERAMICS AND ART COURSES

All materials and tools are provided, as are protective aprons. However, you are advised to wear a short-sleeve t-shirt during class if you wish to try throwing on the pottery wheels. All students must swab the soles of their shoes with the provided sponge before leaving the art room after a ceramics class, to avoid trailing clay dust round the Club.

REFUNDS

Central YMCA reserves the right to limit enrolments and to cancel any classes. In case of cancellation, students are entitled to receive a full refund. Requests for refunds will not otherwise be considered. If the student paid for the course by card, he / she can get a full refund by presenting the card it was paid with to Club Reception. If the course was paid for by cheque or cash, the student will have to leave a name and address so that a refund can be made by postal cheque.

BANK HOLIDAYS

Classes will not be held on Bank Holidays, any such classes will be added onto the end of the course.
